

## We love to pamper our patients, please let us know how to take care of you

- I gag easily
- I feel out of control when I am lying down in the dental chair
- I have not been to the dentist for a long time and I feel uncomfortable about what he will say or think about my teeth
- I know I have bad habits that are causing harm to my dental health. I am afraid I might not be able to break them.
- Pain relief is a top priority to me.
- I don't like shots, or I've had a bad reaction to shots.
- Please tell me what I need to know about my mouth so I can make an informed decision.
- My teeth are very sensitive.
- I don't like the sound of that tool that makes the picking and scraping noise.
- I don't like cotton in my mouth.
- I hate the sound of the drill.
- I don't like how the dentist office smells.
- Please respect my time. I don't want to be left sitting in the reception area.
- I want to know the cost up front. No money surprises, please.
- I have difficulty listening and remembering what I hear while sitting in the dentist chair.
- I have health problems and questions that we need to discuss.
- I don't like being left alone in the treatment area.
- I have problems with my back.
- I don't like the chair tipped back too far.
- I do not like to see dental instruments.
- I need to talk to you first, without sitting in the dental chair.
- Other concerns I would like to talk about (Please specify):
